HENCE, TO RESOLVE
THIS ISSUE WE HAVE COME UP
WITH A ONE-OF-ITS-KIND
CONCEPT OF
FRACTIONAL OWNERSHIP,
SPECIFICALLY FOR
LUXURY YACHTS AND
CATAMARAN CRUISERS

FRACTIONAL OWNERSHIP

Most yacht owners in India use their assets only for a few months every year, yet they end up with high maintenance costs for the entire year. Hence, to resolve this issue we have come up with a one-of-its-kind concept of Fractional Ownership, specifically for Luxury Yachts and Catamaran Cruisers. Here, you own a yacht with few other co-owners at a much lesser price, and CYC takes care of the entire management of these luxury machines.
